As its beaches recede, Florida shores up private ownership

<p>A new law passed in March sets limits on public access to private beaches. Some conservatives say private beaches should be sacrosanct, pitting them against advocates for customary-use access along Florida's coastline. </p>

UW-Madison announces plan to address history of racism

<p>The plan comes out of a working group formed in response to the white supremacist rally in

Charlottesville, Va., and aims to acknowledge the university's history and find ways to move forward and increase inclusivity of underrepresented groups.

Former NFL player Chris Borland helps athletes and veterans adjust to retirement

The former 49er walked away from a promising football career after one year because of concerns over head injuries. Now he helps military veterans and other football players deal with the challenges they share reintegrating into society.

Churches struggle with their #MeToo moment

The #MeToo movement has forced Hollywood, Washington, and Wall Street to grapple honestly with patterns of sexual harassment and abuse. Many churches are still struggling to embrace such introspection and the disruption it brings.
