As its beaches recede, Florida shores up private ownership

A new law passed in March sets limits on public access to private beaches. Some conservatives say private beaches should be sacrosanct, pitting them against advocates for customary-use access along Florida's coastline.

UW-Madison announces plan to address history of racism

The plan comes out of a working group formed in response to the white supremacist rally in Charlottesville, Va., and aims to acknowledge the university's history and find ways to move forward and increase inclusivity of underrepresented groups.

Former NFL player Chris Borland helps athletes and veterans adjust to retirement

<p>The former 49er walked away from a promising football career after one year because of concerns over head injuries. Now he helps military veterans and other football players deal with the challenges they share reintegrating into society. </p>

Churches struggle with their #MeToo moment

<p>The #MeToo movement has forced Hollywood, Washington, and Wall Street to grapple honestly with patterns of sexual harassment and abuse. Many churches are still struggling to embrace such introspection and the disruption it brings. </p>

Diversity on display at tech conference minus 'tech bros'

<p>An alternative cybersecurity conference held this week in San Francisco was notable for its representation of women and minorities who are often absent at such events. Only one in ten cybersecurity workers are women. </p>

On 19th anniversary, Columbine asks other schools to remember, not politicize

<p>As students around the nation plan walkouts, Columbine will continue its tradition of commemorating the anniversary of the shooting with a day of service. </p>

#MeToo's next challenge: domestic gun violence

<p>The #MeToo movement has empowered thousands of women to tell their stories of harassment and abuse throughout America's workplaces. But advocates say women abused at home often face a more dangerous path.</p>

Promise of outdoor activities pulls new residents to rural areas

<p>Rural communities with large recreation industries have seen a dramatic rise in population. The trend is part of what drove the overall slight growth of the rural population in the US from 2016 to 2017, even though many rural counties have been shrinking for years. </p>
