Latest World News

Denver Post hopes for help from wealthy locals to stay afloat

<p>The Denver Post recently published an editorial criticizing its owner, Digital First Media, and asking to be purchased by local investors. The piece kickstarted a chorus of other voices from publications around the country who have successfully found private backers. </p>

Memorial addresses history of lynching in the US

<p>A new memorial for thousands of victims of lynching built by the Equal Justice Initiative is set to open in Montgomery, Ala. The memorial aims to commemorate the lives of victims and encourage discussion regarding the history of lynching in the United States.</p>

As its beaches recede, Florida shores up private ownership

<p>A new law passed in March sets limits on public access to private beaches. Some conservatives say private beaches should be sacrosanct, pitting them against advocates for customary-use access along

Florida's coastline. </p>

UW-Madison announces plan to address history of racism

<p>The plan comes out of a working group formed in response to the white supremacist rally in Charlottesville, Va., and aims to acknowledge the university's history and find ways to move forward and increase inclusivity of underrepresented groups.</p>

Former NFL player Chris Borland helps athletes and veterans adjust to retirement

<p>The former 49er walked away from a promising football career after one year because of concerns over head injuries. Now he helps military veterans and other football players deal with the challenges they share reintegrating into society. </p>

Churches struggle with their #MeToo moment

<p>The #MeToo movement has forced Hollywood, Washington, and Wall Street to grapple honestly with patterns of sexual harassment and abuse. Many churches are still struggling to embrace such introspection and the disruption it brings. </p>
